

Chase Swimming Club

**Would you like to develop your swimming skills further
by joining a competitive club?**

Then why not join

Chase Swimming Club

Affiliated to A.S.A. West Midland Region & Staffordshire A.S.A.

Have fun learning to swim, keep fit and healthy. We are a friendly, competitive swimming club and we provide enjoyable and rewarding sessions for everyone.

Swimming Lessons

If you are 5yrs or over you can start to learn to swim with Chase. We run award schemes for beginners and the club uses the National Teaching Plan for swimming using qualified instructor, and there are different award levels appropriate to all abilities.

Competitive Squad Training

We coach from early competitive to National standard and we cater for all ages. Once you have reached the age of 9 years you will have a chance to swim in competitive galas and open swimming events, including the county championships.

The club consists of both a very successful junior swim squad (ages 9yr – 12yr) and senior swim squad (ages 13yr and over)

We have training sessions at Cheslyn Hay Leisure Centre and Chase Leisure Centre and early teaching at Great Wyrley School.

If you are interested in becoming part of Chase Swimming Club we have places in all of our sessions as well as our junior and senior squad.

Terri Dunning, who started competitive swimming with and is still a member of Chase Swimming Club, is now a member of the Great Britain Squad who competed at the Commonwealth games in Melbourne winning Silver & Bronze medals.
